

## NEW ZEALANDS PREMIER ASPHALT SHINGLE ROOFING COMPANY

100% New Zealand Owned Asphalt Shingle Roofing Supplies Ltd has a friendly, dedicated team. Our mission is to give the [best service to our customers as the exclusive distributor for PABCO® shingles](#), which have been used on thousands of homes in New Zealand for over 20 years.

We have a [leading position in the New Zealand asphalt shingle roofing market](#) through a commitment to ensuring your experiences with us are seamless, with qualified roofing professionals and first class products.

## ALGAE RESISTANT ROOFING SYSTEM

A roof which retains its natural beauty and performance helps [increase your homes overall value](#). Many colours may be ordered with the Algae defender Roofing System, which warrants your roof against algae growth for 20 years.

All roof types, including wood shakes, concrete and clay tile, colour steel and asphalt shingles are susceptible to algae infestation. [PABCO® Algae defender Roofing System](#) will prevent ugly algae staining your roof.

ALGAE STAINED ROOF

# PRODUCT

PABCO® Premier laminated fibreglass shingles are the leading choice of homeowners and Builders who trust the PABCO® name and require value and a wide selection of colour options.

PABCO® Premier Shingles meet the class H wind resistant standard at 242 kilometres per hour, with a wind warranty of 209km per hour.

PABCO® Premier Shingles wind warranty is for 15 years, unlike other competing shingles, where the warranty is only 5 years in New Zealand.

The PABCO® Premier Shingles warranty is transferable to subsequent owners, unlike all other competing shingles in New Zealand, where if the house is sold, there is no warranty. It is the ONLY shingle that is transferable to subsequent owners!

**Class A Fire resistant.** The rating signifies that the roofing is able to withstand severe exposure to fire originating from outside the building.

Please visit our website for all other specifications.
